August 23, 2018

Dear Agri-Business Leader,

The South Dakota Soil Health Coalition (SDSHC) invites you to be a part of our upcoming 2019 Annual Meeting and Conference, which will include sessions and activities January 22<sup>nd</sup>-23<sup>rd</sup>.

The SDSHC's Annual Meeting and Conference will be held at Club 71 on the campus of South Dakota State University, in Brookings South Dakota. Wednesday January 23<sup>rd</sup> will feature an Exhibitor's/Sponsorship opportunity, and we hope that you will participate. Attendance at last year's convention brought 450 persons representing a combination of agricultural producers, environmentalists, industry, government personnel, students, and land owners.

The SDSHC proudly announces keynote speakers Dwayne Beck, Allen Williams and Keith Berns for this event. The conference will also provide an evening session by Keith Berns on Tuesday the 22<sup>nd</sup> of January at the Days Inn in Brookings. Tuesday will not only highlight Keith Berns but will also offer an opportunity for attendees to meet the other speakers, SDSHC board members, and network with other producers interested in soil health from across the region. A South Dakota Soil Health Conference block of rooms is available at the Days Inn.

Each Exhibitor booth will receive one registration for the conference. Additional booth personnel are welcome and can register online or the day of the conference. Each exhibit booth will be provided a table and chair. Please note on the included exhibitor form if additional tables, chairs or an electrical hook up is needed. Booths may be set up at Club 71 from 4:00- 6:00pm on Tuesday, January 22<sup>nd</sup> or by 8:00am on January 23<sup>rd</sup>.

Soil, the foundation of life continues to be our driving force.....promoting the necessity to improve soil health.

We thank you for your support. If you have any questions or if I can be of assistance, please contact me at [sdsoilhealth@gmail.com](mailto:sdsoilhealth@gmail.com) or 605-280-4190.

Best Regards,

Cindy Zenk, Coordinator  
SD Soil Health Coalition
